## e-CLASSES – Level 1 Playground Event

Login to the Playground Event to practice using the e-CLASSES tools and functions.

Follow these steps, to access the Playground Event:

1. Go to <http://eclases-contactnorth.ca>
2. Type the login: **practiceleader**
3. Type the password: **password**
4. Click **Log In**

Event	Start Time	Duration
Playground	8/14/13 12:00 PM	Ongoing

5. Select the **Ongoing** tab
6. Find the **Playground** event, click **Lead**.

**Note \*\* Playground is a public session with everyone receiving the same login.** If you upload confidential material, please remember to delete it. If you cannot login with the above Leader login, someone might already be using that ID; you can login as a Co-Presenter as indicated below.

If you would like to practice with a Co-Presenter, please follow the steps listed above and utilize one of the following logins and passwords. Click on **Present** and enter the session as a **Co-Presenter**.

- Participant 1 - login: **practiceleader01** Password: **password**
- Participant 2 - login: **practiceleader02** Password: **password**

## Here are some practice activities to try while you are in the Playground...

### Import

Import your PowerPoint slides. Have you included several interactive activities to keep your audience active, during your workshop?

### AppShare/Web Safari

With the Mark-up Tools from the tools menu, practice presenting a Website or a software application, while in AppShare or Web Safari.

### Whiteboard

Discover the available tools when activating the Whiteboard.

The screenshot shows the e-CLASSES interface with the following elements:

- Top Bar:** Contains buttons for 'Add content', 'Share', 'Poll', 'Whiteboard', 'Breakouts', 'Start', and 'Exit'.
- Agenda:** Shows a list of topics: 'Agenda', 'frosty', 'Intern EN-e...', 'EN-e-CLASS...', and 'EN-e-CLASS...'.
- Attendees:** A list with one name, 'Joni Sharkey'.
- Tools Menu:** A vertical toolbar on the left side of the main content area.
- Chat:** A chat window at the bottom left with a 'Send' button.
- Bottom Bar:** Shows session status: 'Pre-Session', 'Paused', '00:00:00', 'No one speaking', and 'Powered by saba'.

Callout boxes provide instructions for various features:

- Import:** Import your PowerPoint slides. Have you included several interactive activities to keep your audience active, during your workshop?
- AppShare/Web Safari:** With the Mark-up Tools from the tools menu, practice presenting a Website or a software application, while in AppShare or Web Safari.
- Whiteboard:** Discover the available tools when activating the Whiteboard.
- Survey:** The survey tool offers many options. Explore them, while preparing a survey for a future workshop.
- Chat:** Examine the options available from the ACTIONS menu.
