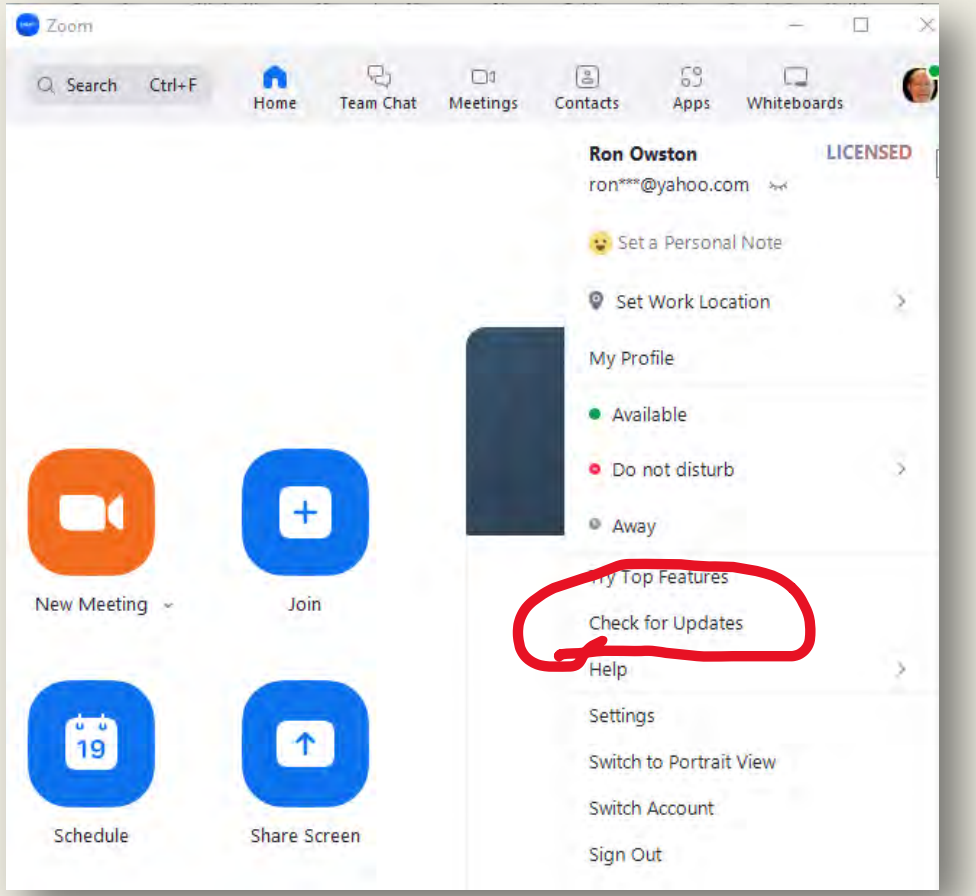
Ten New Zoom Features and What to Expect in 2023

Enhance your teaching and better engage your students

Ron Owston, PhD
Research Associate, Contact North
Professor Emeritus, York University, Toronto, Canada

Be sure to always update your client – students too!



1. PowerPoint background

Immersive, engages audience, helps focus attention

Two Truths and a Lie
Instructions:
1. Each participant claims a box and adds two true facts about themselves and one lie.
2. Each participant then reviews each other's boxes and places a red dot on the note which they believe is the lie
3. Participants take turns sharing their 3 stories and identifying which item is a lie
